ENDING NOTES

These outros ain’t meant to be bangers

They meant for you and me so

we'll never end up as strangers.

BLACK & WHITE

(33)

This year I've felt two-sided

Too many days

I wanted to be with others

But when I'm alone

I am not enough

Everything is black and white

This year I've felt two-sided

Too many days

I wanted to be alone

But when I'm with you

I am enough

Nothing is black and white
